ABOUT THE INSTITUTE:

Chaitanya Bharathi Institute of Technology (CBIT), established in the year 1979, is one of the first prestigious and long-standing Engineering Institutions in both the states of Telangana and Andhra Pradesh. CBIT is committed to excellence in Education, Research, and Innovation. CBIT began its journey with three Undergraduate Engineering Programmes with an intake of 200 students. In its 47 years of glorious journey, CBIT intake increased to 1,998 students and offers 12 UG & 10 PG programmes approved by AICTE.

CBIT has evolved into the most preferred destination for aspiring students seeking academic excellence in Engineering and Management Education. It offers a rewarding professional environment for faculty and researchers. CBIT is also a favored recruitment destination for leading Fortune 500 global corporations seeking high-quality fresher talent. CBIT has a 36000+ strong alumni network who made an indelible mark in diverse sectors like public service, corporate leadership, entrepreneurs, administrators, etc.

CBIT is accredited by NAAC with the highest grade of A++ (3rd Cycle). CBIT is a UGC Autonomous Institution since 2013. The Institutes 75% of the programmes are NBA accredited. In NIRF ranking, CBIT is placed in the 101–150 band in Innovation 2023 and the 151–200 band in the NIRF Engineering 2024. The Institute is a 4-Star rated by Institution's Innovation Council (IIC) under the Ministry of Education. CBIT is ranked No. 1 among Private Engg Colleges, 2nd in Telangana and 16th among India's Top 100 Private Engg Institutions by *The Week* magazine 2024 Edition.

The Government of India established Atal Community Innovation Centre (ACIC) in the CBIT, first in Telangana with a grant of ₹4.51 crores, along with an AICTE-IDEA Lab worth ₹95 lakhs. The Institute was a beneficiary of TEQIP-II programme. The Institute has completed 86 research and consultancy projects and is currently executing 22 sponsored research projects. With over 200 Intellectual Property Rights, 23 granted patents, 86 active MoUs, several industry-supported laboratories, and a dynamic incubation centre housing 21 startups, CBIT continues to nurture a robust culture of innovation, entrepreneurship, and industry collaboration. Further reinforcing its academic leadership, CBIT is a pioneer in introducing Honors & Minor degree programmes in engineering in Telangana, underscoring its commitment to academic flexibility, multidisciplinary learning, and future-ready education in line with NEP 2020.

ABOUT THE NATIONAL LEADERSHIP SUMMIT:

The National Leadership Summit is conceived as a focused platform for academic and administrative leaders to reflect, engage, and collaborate on strengthening institutional governance in higher education.

In the rapidly evolving higher education landscape with a focus on NEP 2020, Institutions are required to balance academic excellence, regulatory compliance, transparency, and stakeholder expectations. Acknowledging this dire need, the Summit brings together Principals, Directors, Deans, Heads of Departments, Registrars, Administrative Officers, and Senior Faculty Members to deliberate on contemporary leadership challenges and best practices in academic institutional governance.

The Summit aims to reinforce role clarity in academic and administrative leadership to enhance governance and institutional effectiveness. Emphasising efficient coordination, responsibility, accountability, and ethical decision-making, the thematic focus aligns with SDG 4 (Quality Education) and SDG 16 (Strong Institutions). Through expert talks and networking deliberations, delegates will gain insights into leadership frameworks, regulatory alignment with UGC, AICTE, NAAC, and NBA, and collaborative governance practices, fostering SDG 17 (Partnerships) for resilient and future-ready Higher Education Institutions.

RESOURCE PERSONS:

The Summit is enriched by distinguished resource persons comprising Senior IAS, IPS officers, Vice Chancellors of eminent Universities, Senior Professors from IIMs, Corporate leaders, etc whose policy-level insights and academic leadership experience provide valuable perspectives on governance reforms and implementation.

OBJECTIVES OF THE SUMMIT:

- Strengthen leadership capacity among academic and administrative stakeholders by promoting role clarity, accountability, and ethical decision-making (SDG 16)
- Enhance understanding of governance frameworks and regulatory compliance with UGC, AICTE, NAAC, and NBA, in line with NEP 2020 (SDG 4).
- Foster collaboration and partnerships among institutional leaders, civil servants, and Vice Chancellors to share best practices and solutions for contemporary challenges (SDG 17).

EXPECTED OUTCOMES OF THE SUMMIT:

- Clear and well-articulated roles and responsibilities among academic and administrative leaders, enabling improved coordination, accountability, and effective institutional governance (SDG 16).
- Strengthened leadership capacity to implement transparent, ethical, and regulation-compliant governance practices, contributing to enhanced institutional quality and improved student learning outcomes (SDG 4).
- Sustained collaboration and partnerships among higher education leaders, fostering shared responsibility, knowledge exchange, and collective initiatives to address institutional challenges and drive innovation (SDG 17).

ELIGIBILITY:

Principals, Directors, Deans, Heads of the Departments, Registrars, Administrative Officers, and Senior Faculty Members of Higher Education Institutions.
