	<ul style="list-style-type: none"> ● Grievance Redressal Mechanism for Faculty, Staff and Students 	<p>GRIEVANCE REDRESSAL CELL</p> <p>ESTABLISHMENT:</p> <p>A Grievance Redressal Committee is established in CBIT as per the norms on 15th March, 2019. The committee is reconstituted recently, followed by the completion of two year tenure of the earlier committee. The committee is established with the soul functional objective of addressing the grievances of staff and students of the institute .Separate compositions of members exist for staff and students of the institute.</p> <p>MECHANISM:</p> <p>1. Awareness is created by publicizing about these committees among the staff and students by displaying the details of members and the contact points in the institute’s web portal, notice boards of various departments.</p>

		<p>2. Separate icons are created in the institute's web portal for faculty, non-teaching staff and students.</p> <p>3. Any student, faculty member or non-teaching staff member has to register by seeking access through their respective icons/ access points through their official email ids. They will be permitted to upload their grievances in the portal only after successful verification of their details and confirmation of authenticity there on.</p> <p>4. Normally, after the approval of the grievance, the concerned student/ faculty/ non-teaching staff will be intimated about the consideration of their grievance and the probable time that may take to address the same.</p> <p>5. The resolutions of the committee with respect to any grievance will be recorded and the intimation given to the concerned person in this regard will also be recorded.</p>

SOCIAL MEDIA CENTER, CBIT

Chaitanya Bharathi Institute of Technology (CBIT), Gandipet, Hyderabad, Telangana, India with the objective of effectively engaging all stakeholders—including students, parents, educators, alumni, research associates, regulatory bodies, industry partners, institutions, recruiters, prospective job seekers, government research organisations, and social organisations—has strategically planned and established multiple social media channels. These platforms are continuously evolving as effective communication modes to share experiences and disseminate information through engaging content. The content highlights campus culture, academic programmes, infrastructure and facilities, faculty profiles and achievements, seminars, sports activities, expert lectures, and inter-collegiate competitions at state, national and International levels. Through this transparent and dynamic communication approach, CBIT distinctly differentiates itself in terms of educational resources and teaching–learning methodologies, thereby preparing students with industry-relevant skills for productive professional performance. We have developed Interest Specific Groups such as: Alumni Group, Members Group for Club Specific Purposes, Sports, Research, Innovation and Incubation Cell and others.

The Achievements that the Institute has achieved through these Media Platforms are:

- Helped to connect with the Prospective Students and Parents.
- To Position the Institute amongst the Prospective Students by sharing the Vision, Mission and Objectives.
- To connect with the strong 35,000 Plus Alumni Globally engaged in Industries, Institutions, research and as Entrepreneurs and also place the Alumni Activities and their participation in the Institute Education and Research Programs.
- Strengthened Students Participation in various Co and Extra Curricular Activities, Educational Programs, Awards and Achievements of the Students, Professors, Research Scholars, Publications, and Patents.
- To Mentor and Guide Students on Career Planning, International Admissions, Internships, Skill Development Programs.
