About the Institute

CBIT established in the Year 1979, esteemed as the premier engineering Institute in the states of Telangana and Andhra Pradesh. The Institute is committed to Research, Education and Innovation, started with 3 UG Programs in Engineering with an intake of 200 Students and over a period of 46 Years, the intake has grown to 1994 Students with 12 UG & 10 PG Programs. CBIT is Ranked No. 1 amongst the Private Engineering Colleges in both the Telugu Speaking States.

CBIT is accredited by NAAC with an A++ Grade (3rd Cycle) and has UGC Autonomous status since 2013. The institute is ranked in the 101-150 band in NIRF Innovation 2023 and 151-200 band in NIRF Engineering 2024. CBIT has established the first Atal Community Innovation Centre (ACIC) in Telangana with a funding of ₹4.51 crores and an AICTE-IDEA Lab with ₹95 lakhs funding. The institute has received TEQIP-II, completed 86 research and consultancy projects, and is currently executing 22 sponsored projects. With 200+ IPRs, 23 patent grants, 86 MoUs, industry-supported labs, incubation center housing 21 startups, CBIT continues to drive innovation

About NITTTR

The Institute at Chandigarh is one of these four NITTTRs, started in collaboration with Royal Netherlands Government (upto 1974). To improve the competence of teachers for implementing new curricula designed by this institute, short term courses have been offered since 1967.

About the Program

This programme provides insights into curriculum design, outcome mapping, assessment strategies, accreditation requirements and best practices in higher education. Through expert sessions and interactive discussions, participants will enhance their curriculum development skills and contribute to continuous academic quality improvement and excellence.

Registration Fee: Rs. 590/- per person
