ABOUT THE INSTITUTE

Chaitanya Bharathi Institute of Technology, established in the Year 1979, is esteemed as the Premier Engineering Institute in the States of Telangana and Andhra Pradesh was promoted by a Group of Visionaries from varied Professions of Engineering, Medical, Legal and Management, to facilitate the Best Engineering and Management Education to the Students and contribute towards meeting the need of Skilled and Technically conversant Engineers and Management Professionals, for the Country that embarked on an Economic Growth Plan. The Institute, committed to Education and Innovation, started with three Degree Courses in Engineering for 200 Students and over 47 Years, has emerged as a Dream Destination for Students seeking to excel in Engineering and Management Education, Teaching Community to progress. with a rewarding Career and the Corporate to source well-rounded Engineers.

ABOUT THE DEPARTMENT

The School of Management Studies at CBIT, established in 1996 and with NBA in 2026, aims to equip young professionals with the skills to excel as outstanding management leaders and entrepreneurs, grounded in integrity and social responsibility. With a focus on preparing students to compete globally, the department provides a comprehensive education that is professional, competitive, and industry-relevant, enriched with sustainable value additions.

Offering specializations in Marketing, Finance, HR, and Business Analytics, the department ensures that students not only master their chosen fields but also gain practical experience through internships and projects, applying theoretical knowledge to real-world practice. Additionally, skill development courses are provided to enhance students' managerial abilities, teamwork, and knowledge.

The department is committed to excellence in academics, research, co-curricular and extra-curricular activities, while also instilling strong moral and human values. The education and experience gained during their two-year program at the School of Management Studies empower students with the confidence and competence to thrive in the corporate world and tackle business challenges head-on.

ABOUT ICSBID- 2026

The International Conference on Sustainable Business Innovation and Digital Transformation: Integrating AI, ESG and the Sustainable Development Goals (ICSBID–2026) aims to provide a global platform for researchers, academicians, industry leaders, entrepreneurs and policymakers to exchange innovative ideas and research insights. The conference explores AI, digital transformation, ESG, sustainable finance, responsible business, entrepreneurship, human capital, circular economy and inclusive development, emphasizing practical solutions that accelerate sustainable growth and contribute meaningfully to the United Nations Sustainable Development Goals.

OBJECTIVES

- To explore the transformative role of Artificial Intelligence, digital technologies and business innovation in enhancing organizational performance, competitiveness and sustainable growth.
- To examine the integration of ESG principles, sustainable finance and responsible business practices into contemporary management strategies and decision-making.
- To facilitate knowledge exchange among academicians, researchers, industry professionals, entrepreneurs and policymakers on emerging challenges, innovative practices and interdisciplinary solutions.

TRACKS OF THE CONFERENCE

1. AI, Analytics & Emerging Technologies
2. Digital Transformation, Innovation & Entrepreneurship
3. ESG, Sustainable Finance & Responsible Business
