Annual student fee in CBIT
Notice to students seeking admission in the Academic Year 2026-27 into
B.E./B.Tech. (under-graduate courses)

All the students who are joining into B.E/B.Tech. under graduate courses through TGEAPCET in Category 'A', through JEE Mains /TGEAPCET /Intermediate marks in Category 'B', and through TGE CET lateral entry mode, in Chaitanya Bharathi Institute of Technology (CBIT) for the Academic Year 2026-27 i.e., in the fee block period of 2025-26 to 2027-28 are hereby informed and put on notice about the following facts:

By virtue of the orders presently in force in W.P. No. 20256 of 2026, the annual student collectable fee for the undergraduate B.E/B.Tech. course in the academic year 2026-2027 is Rs.2,23,000/-, subject to further orders of the Hon'ble High Court. This fee is due and payable prior to commencement of the classwork. The directions in W.P. No. 20256 of 2026 were issued by the Hon'ble High Court in a challenge by CBIT to G.O. Ms. No. 6 dated 04.03.2026 which notified the student fee for the undergraduate B.E/B.Tech course at CBIT to be Rs.1,83,000/- for the 2025-2028 block period.

It is apposite to note that CBIT collected an annual student fee of Rs.2,23,000/- for the previous academic year also (i.e. 2025-2026) in the fee block period of 2025-26 to 2027-28 on count of the orders in W.P. No. 19573 of 2025, which writ petition is also presently pending before the Hon'ble High Court.

It is a trite and settled proposition that fees will have to increase every block period for the institution to be able to meet its mandatory heads of expenditure. Further, as escalation, inflation, and furtherance together will result in consequent upwards revision in expenditure to be considered while fixing the fee of a subsequent block period.

It is further made clear by way of background that fees of the previous three block periods had accordingly been revised pursuant to a successful legal challenge by the CBIT.

- A. Fees of the 2016-2019 block period have been revised from Rs.1,13,500/- to Rs.1,40,000/- (revision by G.O. Ms. No. 21 dated 14.07.2022)
- B. Fees of the 2019-2022 block period have been revised from Rs.134,000/- to Rs.160,000/- (revision by G.O. Ms. No. 36 dated 06.03.2023) and,
- C. Fees of the 2022-2025 block period have been revised from Rs.1,40,000/- to Rs.165,000/- (revision by G.O. Ms. No. 21 dated 25.07.2024), and this revised fees is subject to the outcome of writ petition instituted (WP No. 23752 of 2023)/to be amended/to be instituted by CBIT before the Hon'ble High Court, and consequent proceedings. Fee when finally fixed for the previous 2022-2025 block period will have a bearing on the fee to be finally fixed for the subsequent 2025-2028 block period.

It is made fully clear that CBIT is seeking enhancement of the quantum of even the presently collectable fee of Rs.2,23,000/- for the 2025-2028 block period let alone the quantum fixed by G.O.Ms.No. 06 dated 04.03.2026, by recourse before the Hon'ble High Court, and other consequential proceeding/s as required, with the entire gamut of grounds available to it in law, and is praying for appropriate enhancement, as even the presently collectable annual student fee fails to consider and include various mandatory expenditure heads. Therefore, all the students must carefully note that this presently collectable fee is subject to revision, based on the outcome of legal proceedings.

The clear possibility of such enhancement is put to notice of the students, so that they are in transparent possession of full and total information even prior to joining the Institution, and exercise their option to join the Institution only after duly factoring in the possibility of such enhancement to the presently collectable student fee for the B.E./B.Tech course. For the purposes of crystal clear clarity, it is reiterated that the quantum of fee fixed by G.O. Ms. No. 06 dated 04.03.2026 is under challenge, and the presently collectable fee as fixed vide directions by the Hon'ble High Court in W.P.No.20256 of 2026, is also under challenge.

This notice will also have to be duly signed by the student and the parent/guardian at the time of admission into the Institute, so there is crystal clear comprehension about possibility of enhancement of the presently collectable annual student fee in the 2025-2028 block period, prior to joining the institution.
